

REMARKS/ARGUMENTS

This Preliminary Amendment amends original Claims 4-6, and 10-13 to produce new amended claims that are not multiply dependent in order to reduce official fees. Once examination on the merits has begun, the Applicants may elect to amend newly amended Claims 4-6 and 10-13 to make this claim multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims.

This Preliminary Amendment also amends original Claims 1-11 and the Abstract to delete reference numerals, which are not required by U.S. Law. The amendment does not narrow the scope of the claims in any way.

The Commissioner is authorized to charge any additional fees which may be required or credit overpayment to deposit account no. 12-0415. In particular, if this response is not timely filed, the commissioner is authorized to treat this response as including a petition to extend the time period pursuant to 37 CFR 1.136(a) requesting an extension of time of the number of months necessary to make this response timely filed and the petition fee due in
